

# A More Prepared Tomorrow Starts Today.

## BYND PlanConnect™

The complete solution for municipal  
emergency management.

Give your team instant, secure access  
to your plans, critical information and  
essential IMS forms — online or offline,  
anytime, anywhere.

*Stronger  
Communities  
Together.*

**FASTER  
RESPONSE**  
Critical information  
at your fingertips.

**GREATER  
CONFIDENCE**  
Standardized,  
accurate and  
up-to-date information.

**SAFER  
COMMUNITIES**  
Empower your people  
to make a difference.

RESILIENCE

LOCAL SOLUTIONS. LASTING IMPACT.

## One Solution. Two Essential Roles.

Support your team every day — and be ready when it matters most.

### DAILY USE

Tools your team will use every day.

#### Access Key Contacts

Find staff, agencies and resources in seconds.

#### View Plans and Procedures

Keep important information up to date and easy to find.

#### Maps and Resources

Access maps, facilities, hazards and local information.

#### On Any Device

Secure access online or offline in the office or in the field.

*Everyday tools for a more connected and prepared team.*

### EMO COMPLIANCE

Meet your legislative requirements with confidence.

#### IMS Forms

Standardized, provincial-aligned forms at your fingertips.

#### Emergency Management Plans

Build, maintain and access compliant plans.

#### Training and Exercises

Support documentation and record keeping.

#### Reporting

Easily generate reports for EMO reviews and audits.

*Simplify compliance.  
Strengthen your readiness.*
